ALGEBRAIC INDEPENDENCE

Narosa Publishing House. Paperback. Book Condition: new. BRAND NEW, Algebraic Independence, Yu.V. Nesterenko, Algebraic Independence is an expanded version of the notes of a course of lectures given by Professor Yuri V. Nesterenko at TIFR. It deals with several important results and methods in Transcendental Number Theory. The main results which are proved in detail are the classical result of Lindemann-Weierstrass, Siegel's theory of E-functions and Shidlovskii's theorem on the algebraic independence of the values of the E-functions, the Gelfond-Schneider...

Reviews

This publication can be really worth a go through, and superior to other. It is amongst the most amazing publication we have go through. You wont feel monotony at anytime of your own time (that's what catalogues are for about when you request me).

-- **Ms. Elda Schaden MD**

Just no words to explain. Indeed, it is actually play, nevertheless an amazing and interesting literature. Its been written in an exceptionally simple way and is particularly simply following i finished reading through this ebook by which in fact altered me, alter the way in my opinion.
