

Frozen to Life: A Personal Mortality Experiment (Paperback)

By D. J. MacLennan

Anatta Books, United Kingdom, 2015. Paperback. Book Condition: New. 228 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.How far would you go to avoid death? Frozen to Life is the true account of the author's extraordinary answer to this question: If he cannot escape the constraints of a natural lifespan, he will, upon his death, have his severed head preserved in a vat of liquid nitrogen in the Arizona desert. This book illuminates the astonishing science behind his decision, and the transformative power of the patternist thinking that carried him to it. From the initial confusion and isolation of his upbringing on the Scottish islands of Benbecula and Skye comes a curious inkling that collides with dominant religious dogmas and alters relationships: What am I? What is a self? Must selves die? Neuroscience - including the latest theories about the way mind emerges from the architecture of the brain - interweaves with philosophy, Buddhism, and personal testimony to create a fascinating and emotionally-charged insight into the psyche of a cryonaut in waiting. Written with empathy, searing insight, and dark humour Frozen to Life is both cutting edge and bleeding heart: a postmodern experiment in...
