Gildan Media Corporation, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 146 x 133 mm. Language: English . Brand New. This practical guide introduces managers to a powerful new engagement and retention tool: the stay interview. Smart companies have begun conducting these periodic reviews in order to discover why their important talent might leave and to solve any problems before they actually quit. Written by the retention expert who pioneered the process, The Stay Interview shows managers how to anticipate an employee s top issues; set realistic expectations from the start; respond to difficult questions; listen effectively and dig deeper; craft a detailed and effective stay plan complete with timeline; and assess each employee s level of engagement, predict potential exits, and communicate results to upper management. Complete with the five best questions to ask and sample scripts for different situations, The Stay Interview is the key to a more engaged and productive team.
